ABOUT US

Perfect Hire is owned and run by Perfect Contracting as part of the Perfect Group. Perfect Group is comprised of three ISO certified companies, Perfect Hire™, Perfect Contracting and Perfect Concrete Care.

Our clients benefit from the combined experience and capabilities of three divisions that carry out demolition, labour and equipment hire and specialised concrete care services.

We provide experienced personnel who undergo regular in-house SAFETY & EQUIPMENT TRAINING and hold relevant licenses to operate our machinery and tools. With a strong focus on training, safety and professionalism, our team is equipped with the experience, expertise and knowledge you need to achieve results on your construction projects.

We understand the importance of having the right equipment to produce quality results on every job and that is why we only use the best equipment manufactured by trusted brands, such as Hilti, Makita, Husqvarna and Tyrolit.

At Perfect Hire we ensure all our equipment is serviced, maintained, tagged and tested to provide you with the most reliable resources for your projects.
